**Forecast for Sunday 27 Oct 2024**

**Weather:** Cloud and patchy light rain clearing southeast during the early hours, then dry and clear. A sunny start to the day with extensive blue skies through the morning and into the early afternoon. Clouding over by late afternoon with rain following behind by late evening, this giving some heavy bursts.

**Chance of cloud-free hill tops above 600m:** 90%

**Low cloud and visibility:** Few or scattered cloud base 500-700m during the early hours and again late evening. Visibility mostly good or very good.
